THE JUDGE'S SALARY.—A circular letter, signed by members of the bar of this city, has been sent to the General Assembly asking the passage of the bill, recently introduced in the State Senate, to fix the salary of the Judge of the Corporation Court at two thousand dollars per annum. The petitioners say that in their opinion a salary less than \$2,000 will not command the legal ability and experience which the office absolutely requires. In reference to the resolutions recently passed by the City Council they say:

"We not, however, as we think, underestimate the weight of that expression when we suggest that it is entitled to the same weight as any expression by the same number of equally respectable and intelligent private citizens, and that it deserves to be taken into consideration." They conclude as follows: "Believing that from the nature of our experience and pursuits we are better able to form a correct judgment in the premises, we repeat the opinion hereinbefore expressed—that the passage of the bill in question is urgent, and needed to fill the breach of our Corporation Court with a judge whose legal ability and experience will command the public respect and confidence." The circular is signed by S. Ferguson Beach, John M. Johnson, Leonard Marbury, Francis L. Smith, Morgan H. Beach, Albert Stuart, Chas. E. Stuart, A. W. Armstrong, James R. Eaton, Edmund Barke and Wm. E. Fendall.

He subsequently disposed of the hide here, but had kept the carcass at his home. He was locked up and this evening will be turned over to the authorities of Fairfax county. The cow was of a valuable breed, and upon learning of his loss Mr. Harrison offered \$150 reward for his recovery and \$30 for the arrest and conviction of the thief.

MONETARY AND COMMERCIAL.

New York, Dec. 20.—The stock market was heavy at the opening this morning, though the declines from last evening's final prices were in most cases for 1/2 per cent. only. The market was extremely dull, except for three or four of the leading stocks, and prices were heavy in the early trading, declines from the opening figures of from 1/2 to 3/4 per cent. being established. A drum-tone was shown later in the hour, however, and the losses were in many cases made up. The market was barren of feature and at 11 o'clock was dull and barely steady at small fractions below first prices. Money 3/4.

Baltimore, Dec. 20.—Virginia 6s consolidated 42; past due coupons 65; 10-40s 36; new 3s bid to-day.

ALEXANDRIA MARKET, December 20.—The Flour markets are very quiet and without change, but we still note a constant demand from local dealers to supply current wants. Wheat has been heavy and dull for several days; millers take only the best samples, for which they pay full prices, but neither millers nor buyers care to handle other grades except at the decline; sales run from 70 to 75 for damaged to common, and 75 to 80 for fair to good. Corn is firm at 61 for damp unfanned to 53 for dry. Rye 53 to 60. Oats 33 to 38. There is nothing new to report in Eggs, Butter, Poultry and other produce; receipts are good and prices well sustained.

Baltimore, Dec. 20.—Cotton steady and quiet; middling 10 3/4. Flour steady, with a moderate inquiry. Wheat—Southern firm and quiet; red 90.92; amber 92.33; Western higher and quiet; No. 2 winter red 83.93 bid. Jan 85 3/4 bid; Feb 87 3/4 bid; May 92 3/4 bid. Corn—Southern easier and fairly active; white and yellow 53 1/4; Western higher and fairly active; mixed spot new 54 1/4; Jan 55 3/4 bid; Feb 56 3/4 bid; May 60; steamer 53 1/4 asked. Oats steady, with a fair demand; Southern Penna 34.37; Western white 35.40; do mixed 34.38. Rye firm at 64 1/2. Provisions quiet and steady. Coffee easy. Rio cargoes ordinary to fair 18 1/2 to 19. Whiskey firm at \$1 1/4 to 15. Other articles unchanged.

New York, Dec. 20.—Cotton dull; upland 10 3/4; Orleans 10 3/4; futures steady. Flour quiet and unchanged. Wheat higher. Corn lower. Pork steady at \$15 25 to 15 50; old mess Pork steady at \$14 50 to 14 75. Lard weaker at \$8 05.

Chicago, Dec. 20, 11 a. m.—The leading futures ruled as follows: May Wheat 83 3/4 to 84 1/4; May Corn 53 3/4; May Oats 33 3/4; May Pork 15 1/2 to 15 3/4; short ribs 92 1/4.

GEORGETOWN CATTLE MARKET, Dec. 19.—145 Cattle were offered and sold as follows: Best 4 1/2; good 4 1/4; medium 3 3/4; and common 2 3/4 to 3 1/2. 100 Sheep and Lambs were offered, which sold at 2 1/2 to 2 3/4 for the former, and 1 1/2 to 1 3/4 for the latter. 400 Cows and Calves brought \$20.35. Market brisk.

BALTIMORE HOG MARKET, Dec. 19.—There is a fair supply of Hogs on the market this week, the receipts being equal to a very moderate demand, which prevails in all the yards. There is no difference in the prices from last week, and the quality ranges about as it did then. We quote at 6 1/2 to 7 1/4 per lb net, with most sales at 7 1/4 per lb. Receipts 7216 head.
